

Title: SYSTEMS AND METHODS TO FACILITATE COMPLIANCE WITH
LOCATION DEPENDENT REQUIREMENTS

ABSTRACT OF THE DISCLOSURE

Systems and methods are provided to facilitate compliance with location dependent requirements, such as laws and regulations that vary from jurisdiction to jurisdiction. According to one embodiment, location information associated with a user is determined. Requirement information is then determined based on the location
5 information. The user's compliance with the requirement information is then facilitated, such as by displaying an appropriate indication to the user.
